

## **VOB Hall Decorations Guidelines**

### Hanging decorations on walls

- OK - Command strips, painters tape, scotch tape (some brands leave a film - please test first in an inconspicuous spot)
- NOT OK - Duct tape, gorilla tape, foam tape. Any strong adhesives that may peel paint or is difficult to remove.

### Hanging decorations from ceiling

- Decorations may only be hung from the hooks that are provided already on the ceiling. Do not move ceiling tiles or attach to tracks or tiles for any reason.

**Helium tanks must be taken with you.**

**Do not allow anyone to stand on tables. There are several ladders in the kitchen for use.**

Balloons filled with confetti must be popped with care. Do not pop outside. Best to pop while inside a trash bag to avoid the mess. You are responsible for removing all confetti indoors and out.
